

GREAT NEWS!!

BUT, PROGRESS CAN BE INCONVENIENT!!!

PHASE 1

The City of Alva will be doing repairs to the intersection of Barnes and College beginning June 1, 2009. This will impact the flow of traffic through the intersection. The traffic on College will not be able to go north or south. Traffic on Barnes will only be able to go east and west. **It is anticipated that College Street will be closed until June 19th.**

PHASE 2

Barnes Street will be closed on the west side of College beginning June 22 and will be closed until July 10th. The intersection will be open for traffic to go north and south. Traffic west bound on Barnes will have to turn north or south onto College.

This construction is funded through a grant from the Oklahoma Economic Development Administration.

FOR FURTHER INFORMATION, CONTACT STEVEN BROWN, ALVA BUSINESS MANAGER AT 327-1340 OR manager@alvaok.org.
