For the mutual covenants contained herein, the City of Alva agrees to lease to the above-named lessee a trash container or containers, as noted above, to dispose of construction materials or solid waste. The lessee agrees that the City of Alva will not be responsible for any damages resulting to private property resulting from placement or removal of said containers from said property, or damages occurring to the private property during the use of the container(s) by lessee. The lessee is the party solely responsible for payment to the City of Alva for the use of the trash container(s). Containers shall be leased to lessee for a period of two (2) weeks, or less. Additional days must be approved, in writing, by the Sanitation Supervisor or his designee. **Any unapproved additional days will be charged to lessee at the rate of \$15.00 per day.**
