

Who We Are!

Welcome! Let me tell you a little about Northwest Oklahoma Genealogy Society. We have been a society servicing Woods County, Oklahoma, since 2008. There were several who felt the need to organize to discuss genealogy and help others to learn more about it. We work closely with the Alva Public Library to collect books, micro-film and documents that will aid in the discovery of family histories. The library has a good collection of genealogy books that will give information in to your families past.

Our meetings offer support and encouragement through various speakers and programs. You will enjoy meeting other people who are interested in finding ways to research their family history just like you. We look forward to meeting you and having you joining us.
